

ROSEFIELD SALVAGE Ltd

Metal Recycling

COVID -19 Site Information

Due to the Covid-19 pandemic our top priority is the health and safety of our employees, customers and suppliers, we therefore ask you to follow the following implemented procedures.

- Please follow the directions given by our personnel and our information signage
- Face Masks / Covering **MUST BE WORN ON SITE**
- Please remain in your vehicle when you enter the site and do not move until instructed to do so
- Vehicles must be prepared for offloading by the customer and ready for inspection by Rosefield personnel before being off loaded by our material handler or tipped by the customer tipping vehicle.
- Any material that can't be removed by material handler or tipped by the customers own vehicle, this must be presented in a packed / prepared uniformed manner to minimise any manual handling – **Rosefield may refuse material if not.**
- Only one vehicle will be allowed to enter the discharge area at any one time
- Always observe the Governments 2m social distancing policy
- We can not assist with unloading where the 2m distance between person cannot be maintained
- When approaching the office, please stand in the designated area and wait for assistance
- Rosefield will start introducing paperless transactions and will email when possible
- Please do not touch anything within our premises
- All Rosefield personnel have appropriate sanitising provisions
- If you have symptoms or have been diagnosed as having covid-19 – **PLEASE DO NOT ENTER OUR SITE.**

Thank You for your co-operation – Stay Safe
